

## Garcia Street Club Social Contract

The health and well-being of our families and staff are our highest priorities. In the interest of limiting the opportunity for transmission to our community and protecting our families and staff, parent or guardian of a child attending Garcia Street and each staff member must review and agree to this social contract. Please initial that you understand and agree to the following:

\_\_\_\_ I agree to abide by any state and local public health orders and restrictions in place, which may include limits on the size of gatherings of people who do not share a household, the requirement that face coverings be worn in public places, and closures of public spaces such as parks, playgrounds, commercial establishments, etc.

\_\_\_\_ I agree to abide by any state and local travel restrictions in place. As of October 27, 2020, this includes an Executive Order from Governor Lujan Grisham requiring anyone entering the state of New Mexico to self-isolate for at least 14 days.

\_\_\_\_ I agree that my child will remain home from Garcia Street if any member of my household tests positive for COVID-19 or is diagnosed with COVID-19 or has been in close contact with anyone who has a confirmed or probable case of COVID-19. (This does not apply to children of health care workers or other first responders who are in contact with COVID-19 cases while dressed in appropriate personal protective equipment.)

**Close Contact:** is defined by the CDC as (1) being within approximately 6 feet (2 meters) of an infected individual for a total of 15 minutes or more over a 24-hour period, for a prolonged period of time and can occur while caring for, living with, visiting, or sharing a health care waiting area or room with a COVID-19 case, or (2) having direct contact with infectious secretions of a COVID-19 case (e.g., being coughed on). Considerations when assessing close contact include the duration of exposure and the clinical symptoms of the person with COVID-19.

\_\_\_\_ I understand that Garcia Street reserves the right to require me to obtain medical clearance before my child is permitted to return to the school.

\_\_\_\_ I there is a positive COVID case in my household, I agree to notify everyone with whom my household members have had contact, both within and outside of the GSC community.

\_\_\_\_ 14 days after the last potential exposure, your household may return **provided these three things have happened:**

- (a) At least 10 days have passed since any household member first experienced symptoms; **and**
- (b) Symptoms have improved for any household member that experienced symptoms (for example, cough or shortness of breath has improved); **and**
- (c) The household has been fever-free for at least 72 hours without the use of fever-reducing medicines.
